Wayne County Chamber of Commerce General Membership Luncheon

February 17 ♦ 11:30 am

C. Paul Scott Poly-Technical Center Coastal Pines Technical College

Member: \$15 Non-Member: \$20

As you ride through downtown Jesup, you can see the progress being made on the corner of Cherry and Broad, the site of our tragic fire on August 4, 2014. We are all curious to see how it will look when finished. Maika Kicklighter, the Downtown Director for the City of Jesup will be speaking about the progress of the new downtown building & the business that will fill it. She will highlight upcoming events that will be introduced to the downtown area, opportunities for the downtown business owners and information about the Main Street program.
